SCIENCE. TECHNOLOGY. SYNCHED. SOLVED.

Who We Are & What We Do

Since 1992, IBSS, a woman-owned small business, has provided consulting services to the Federal defense, civilian, and commercial sectors. Our services include cybersecurity and enterprise information technology, environmental science and engineering (including oceans, coasts, climate, weather, and satellite), and professional management services.

We measure our success by the positive impact we have on our employees, clients, partners, and the communities we serve. Our tagline, Powered by Excellence, is a recognition of the employees that make up IBSS and ensures we deliver results with quality, applying industry best practices and certifications.

IBSS is a Certified B Corporation (B Corp). B Corps are for-profit companies dedicated to using business as a force for good. Across a variety of industries and around the world, these companies are putting people and the planet before profits and redefining what it means to be successful in business.
